

AchieveGlobal and the Nova Scotia Community College present:

## Achieving Results Through Genuine Leadership Providing Constructive Feedback

Individual contributors need regular feedback from their manager to know how well they are doing. Providing constructive feedback not only helps solve problems, but also can work to prevent potential problems from growing to the point in which they have negative impact on others and the organization.

AchieveGlobal is pleased to offer you two opportunities to attend a complimentary workshop on *Providing Constructive Feedback™*. Learn how giving constructive feedback can build openness and mutual respect, and promotes problem solving and learning in your organization.

### **Providing Constructive Feedback™**

**Date:** Wednesday, June 17th, 2009

**Time:** Morning session 8:00 am - 12:00 pm / Afternoon session 1 pm - 5 pm

**Location:** NSCC Waterfront Campus Dartmouth  
80 Mawiomi Place (off Pleasant Street)  
Dartmouth, NS B2Y 0A5

Room: 4337

Light refreshments will be served a half-hour before each session.

At the end of this workshop, participants will be able to:

- ? Define and describe "constructive feedback".
- ? Identify opportunities to give constructive feedback in their work environments.
- ? Recognize the challenges and benefits of providing constructive feedback.
- ? Evaluate their current level of effectiveness at providing constructive feedback to others.
- ? Conduct constructive feedback conversations that result in action toward improved performance.
- ? Determine how an improved ability to provide constructive feedback can help your organization achieve business results.

**About AchieveGlobal**

In the 21st century, the level of human skills will determine organization success. AchieveGlobal provides exceptional development in interpersonal business skills giving companies the workforce they need for business results. Located in over 40 countries, we offer multi-language, learning based solutions - globally, regionally and locally.

We understand the competition you face. Your success depends on people who have the skills to handle the challenges beyond the reach of technology. We're experts in developing these skills, and it's these skills that turn your strategies into business success in the 21st century.

These are things technology can't do. Think. Learn. Solve problems. Listen. Motivate. Explain. People with these skills have a bright future in the 21st century. AchieveGlobal prepares you for that world.
