Associate Awards Contact Center Nova Scotia

This year at the AGM we are taking time to recognize Top Associates from each business member of CCNS. This is your opportunity to recognize an associate who exemplifies excellence in their role.

The criteria is simple, we want each member to choose one Top Associate who represents your company's Vision or Mission Statement and who meets or exceeds company goals or performance.

There will be CCNS Associate Awards created for each person being recognized which will be engraved with their name and company's name. If you have more than one site please choose an associate from each of your sites.

***Please forward the name of your associate no later than May 7th/2009.**
